

CHRIST is GREATER

Hebrews 10

How is the law a “shadow of the good things to come”?

What does it mean to be “holy”? How are we “made holy”? (10:10)

Do we need priests today? Why or why not? (10:11-14)

How does God put His law in our hearts and minds? How can we participate?

What is the basis of confidence to draw near to God? (10:19-23) Do you have confidence? Sincerity? Full assurance? How do we renew/increase these?

What is “the hope we profess”? What factors might weaken our hold on hope? If you suffered, were deprived, lost everything, could you be joyful?

Think of the most encouraging person in your life: how do they do it? How can you encourage others? What are examples of love and good deeds?

For maximum spiritual health and growth, how often should believers meet? What kinds of meetings? Are you ever tempted to drift away or drop out?

Is there a coming judgment for those who reject Christ? (10:26-31) How can we confirm our own faith? How should we respond in reaching out to others?
